A carboy dolly is safer and easier to move, but isn't something you can easily make on your own. However, you can cut the tops off of surplus malt buckets from your local homebrew shop to create a carboy carrier that has the added bonus of protecting your beer from light and catching any overflow.

Brew It Yourself: Make your own beer, wine, cider and ...

Brew It Yourself also debunks the myths around home brewing, celebrates experimentation and takes the fear out of the science of fermentation. It proves that creating your own tasty alcoholic drinks doesn't need to be complicated, doesn't need to be costly and, most importantly, can be a whole lot of fun!
