Periclean strategy - The two basic principles of the "Periclean Grand Strategy" were the rejection of appeasement (in accordance with which he urged the Athenians not to revoke the Megarian Decree) and the avoidance of overextension Persisting strategy - A strategy that seeks to destroy the means by which the enemy sustains itself

## **List of military strategies and concepts - Wikipedia**

Military strategy and tactics are essential to the conduct of warfare. Broadly stated, strategy is the planning, coordination, and general direction of military operations to meet overall political and military objectives. Tactics implement strategy by short-term decisions on the movement of troops and employment of weapons on the field of battle.
