Off The Grid by John Hunt

Off-grid is the property of a building (generally a home but sometimes even a whole town) that is disconnected from the electricity and the natural gas grid. To live off-grid, therefore, means having to radically re-invent domestic life as we know it, and this is what this book is about: individuals and families who have chosen to live in that dramatically innovative, but also quite old, way ...

The Ultimate Situational Survival Guide: Kindle Edition ...

The Story Grid breaks down the component parts of stories to identify the problems. And finding the problems in a story is almost as difficult as the writing of the story itself (maybe even more difficult.) The Story Grid is a tool with many applications: 1. It will tell a writer if a Story "works" or "doesn't work." 2.
